

Horse Business Network Page (updated 11.5.18)

This is an unbiased list of equine related businesses in Yucaipa and the surrounding communities. These businesses are not necessarily recommended or endorsed by Yucaipa Equestrian Arena Committee or any of its members. They have been submitted from a Facebook post (requesting response from local horse businesses) and are simply **provided for the convenience of local equestrians**.

This is the list of business contacts we received initially. The list is not extensive or complete, and if you would like to be included on this list please contact us at YucaipaEquestrianCenter@gmail.com. Also, if you know of someone who you think should be on this list, please tell them to email us. Thank you!
